

Hello Team & Parents, This year's fundraiser will raise money to pay for the many costs we incur that our school wrestling budget does not cover! The fundraiser operates on a digital text message platform that has proven highly successful and easy to execute!

Our team will make money with every donation, and supporters will save money wherever they use this valuable ***VIP Bonus Rewards*** membership. So feel good about sharing this opportunity with family, friends, co-workers, *and on social media!*

Finally, know our goal is not just to win matches but to build life skills that remain with all our wrestlers in all facets of their lives.
